Sir:

In response to the Official Action (Notice of Non-Compliant Amendment (37 C.F.R. § 1.121)) dated February 17, 2005, Applicants submit the Amendments to the Claims section, which properly references Claim 29. Claim 29 had the incorrect claim identifier and thus has been corrected with this submission.

Applicants believe the Amendment filed January 21, 2005, is now in compliance. However, in the event that there are any questions relating to this submission or the application, it would be appreciated if the Examiner would telephone the undersigned attorney concerning such questions so that prosecution of this application may be expedited.

Respectfully submitted,
